**Convenient, easy, secure**

## Online Account Features — During Your Career

Your account is accessible by desktop computer or mobile device on multiple browsers, meaning you have access at home or on the go!

**Access from  
computer or mobile device**

**Manage several  
account aspects**

This online resource enables you to manage several aspects of your STRS Ohio account. During your career, log in to ...

## Online Account Features — During Your Career

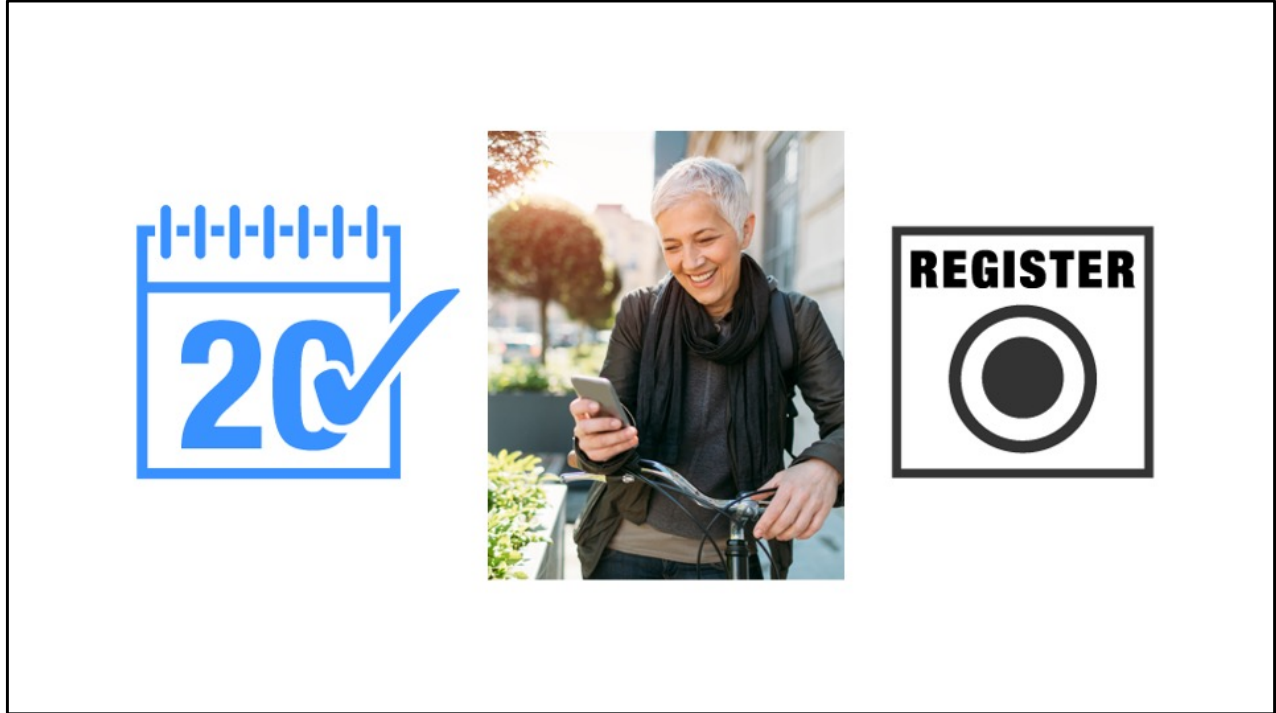

View important documents, such as your *Annual Statement*, service retirement estimates and account change confirmations.

**View important documents**

Update your correspondence choices to view certain documents online instead of receiving by mail — such as newsletters and your *Annual Statement*.

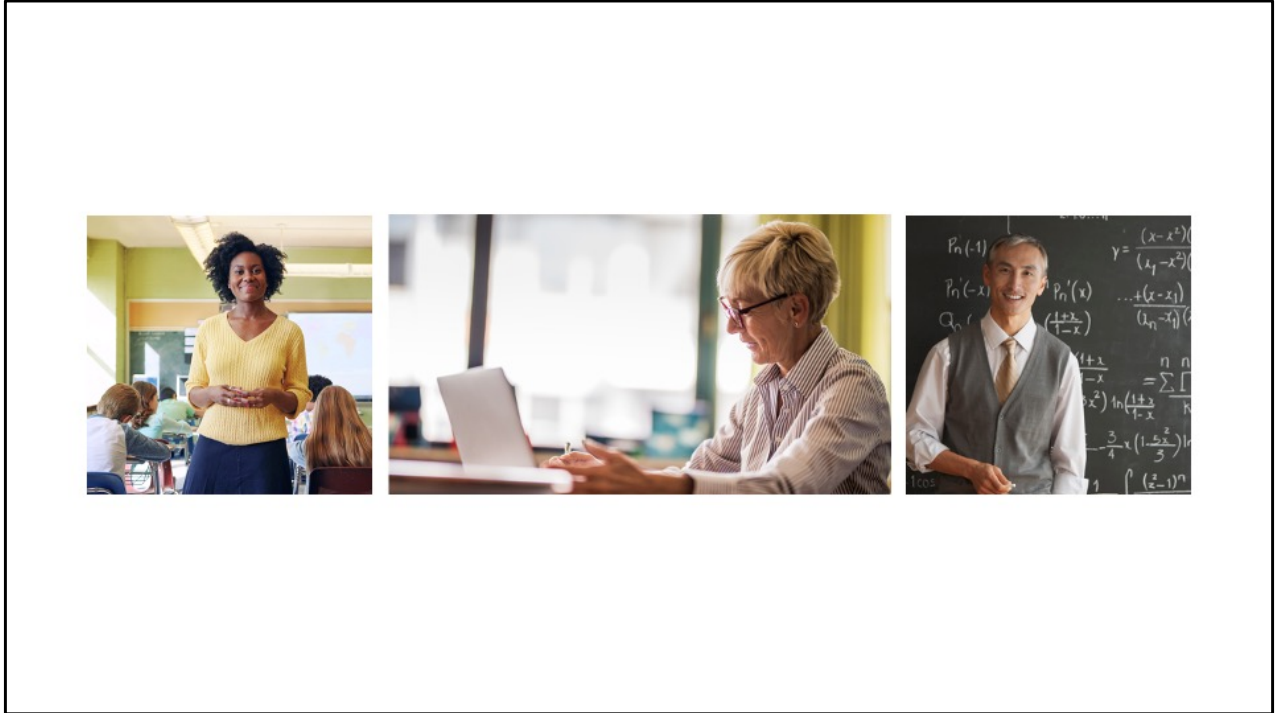

Schedule an STRS Ohio benefits counseling appointment or register for a retirement planning event. Or view what you have scheduled and cancel or reschedule as necessary.

**Make an appointment  
or register for an event**

Complete and submit your *Service Retirement Application* — a task more than 80% of STRS Ohio members complete online. And after your application is successfully submitted, view the status of its processing.

## Online Account Features — During Your Career

Select your STRS Ohio retirement plan as a new member or indicate your one-time plan reselection upon reaching eligibility as a Defined Contribution Plan or Combined Plan participant.

**Select or reselect your  
retirement plan**

## Online Account Features — During Your Career

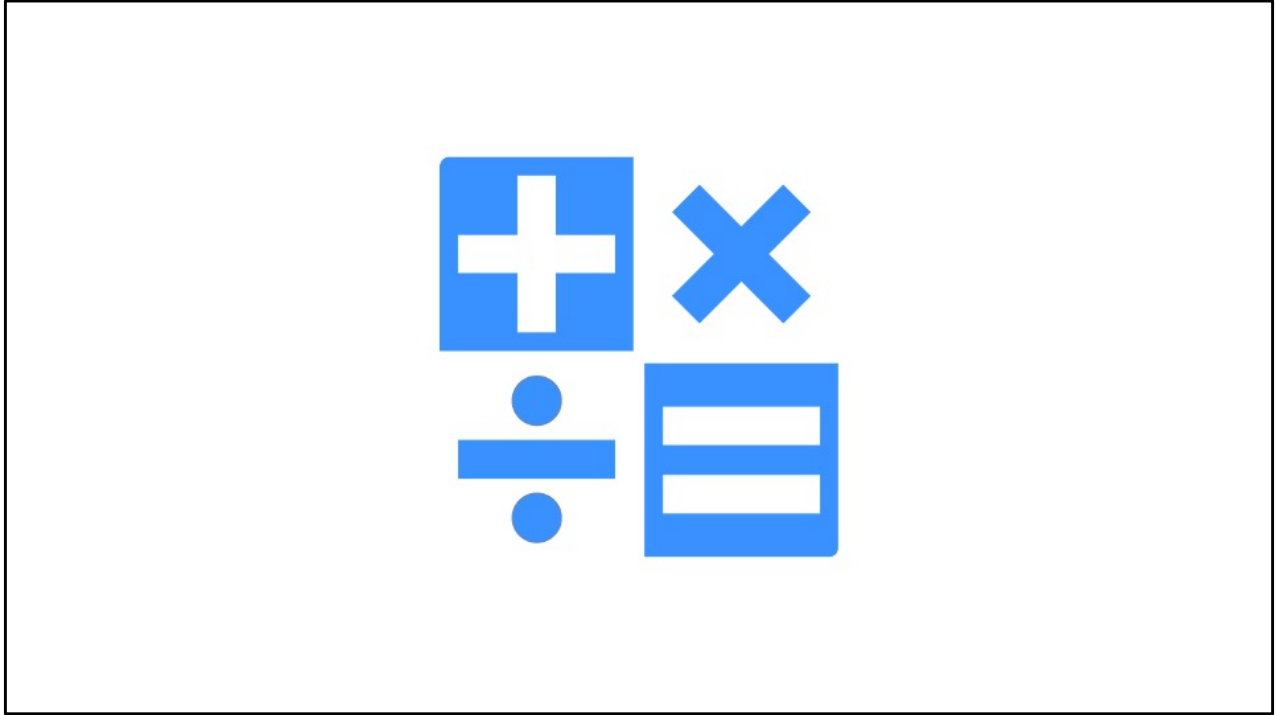

Complete an application to withdraw your STRS Ohio account — an option available to members upon termination of public employment in Ohio.

**Apply for  
account withdrawal**

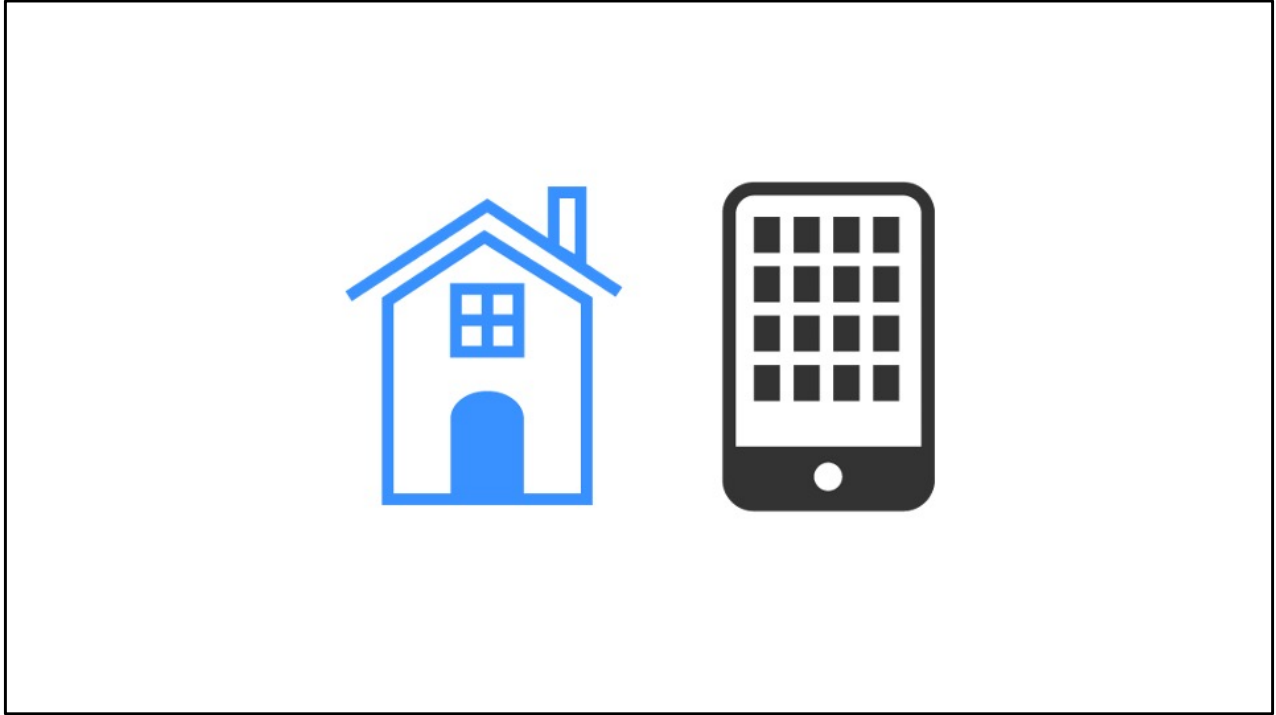

Review current beneficiary information on file and make any necessary updates — especially following life events such as a marriage or divorce.

Access the Calculators section and estimate your retirement benefit amount. Calculators are also available to estimate disability benefits and survivor benefits as well as retiree tax withholding and health care premiums.

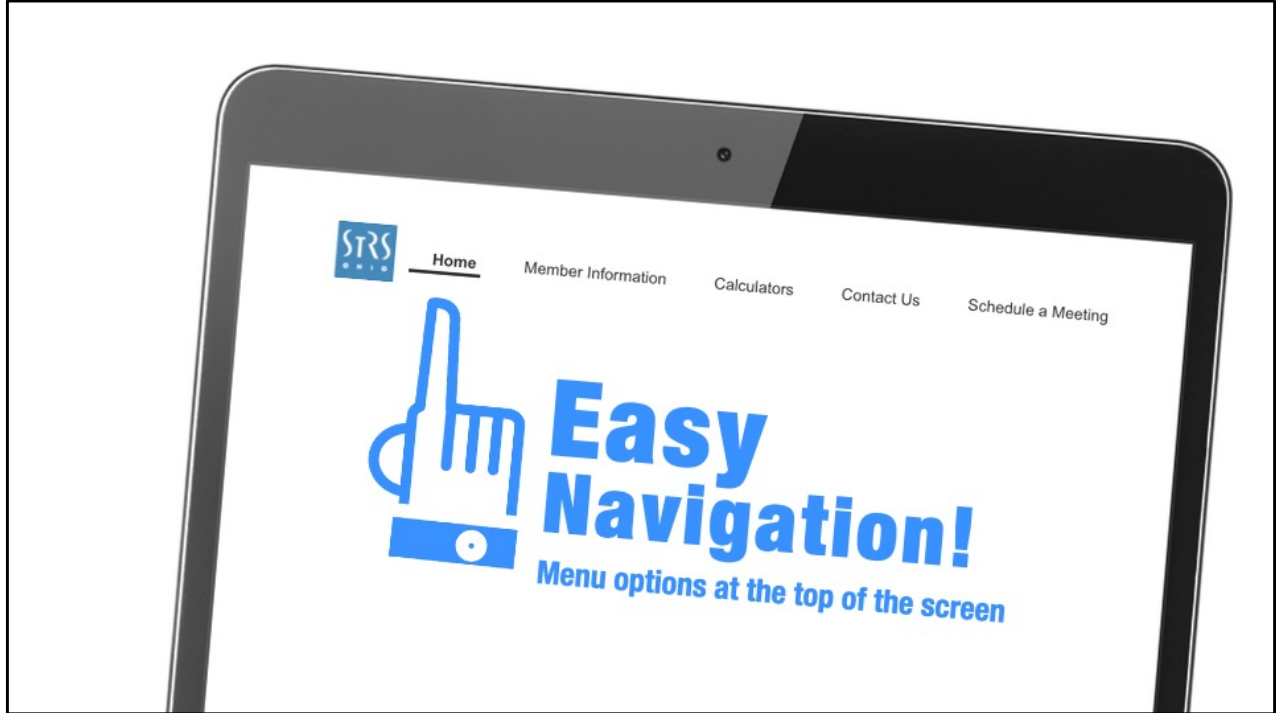

**Calculate benefits,  
retiree taxes and health  
care premiums**

## Online Account Features — During Your Career

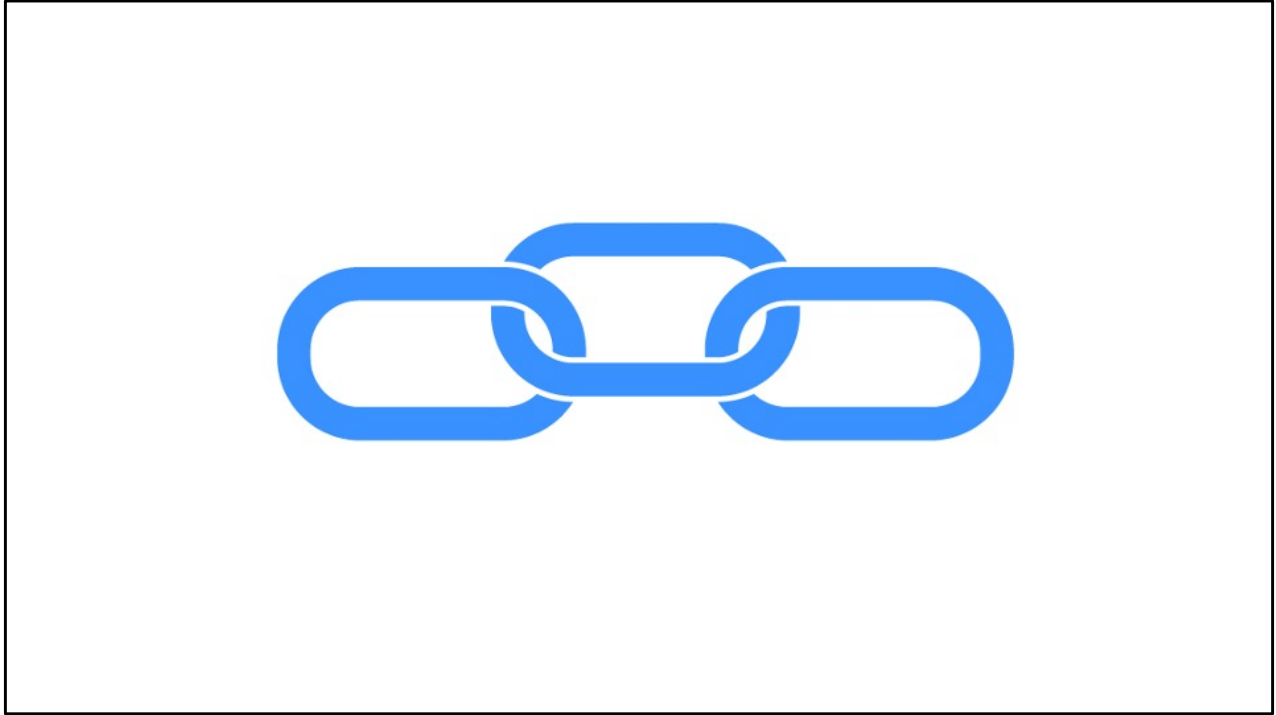

Review and keep your contact information up-to-date to stay abreast of important STRS Ohio news about your account and benefits.

**Update contact information**

Navigation is easy. After you log in, the menu at the top of the screen will help direct you to the information or task you seek.

Some account features differ depending on the benefits offered under your STRS Ohio retirement plan.

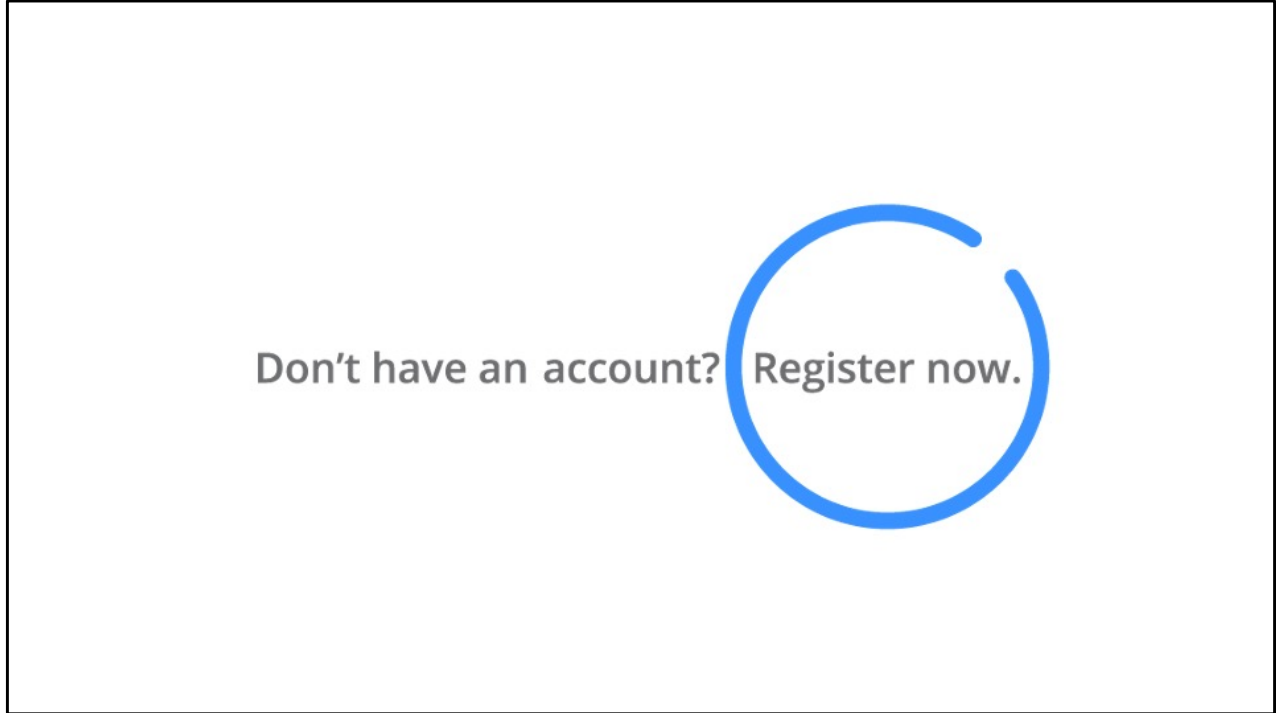

Be sure to look for the Useful Links section on the right side of your account screen for quick access to links commonly sought by online account users.

**Look for “Useful Links”  
for quick access**

STRS Ohio realizes life is busy and you're short on time. We continually evaluate and add online account features to help you find information and complete tasks efficiently.
