STRS Ohio does not allow for the purchase of credit for any service for which you are eligible for a benefit under another retirement or annuity plan (except Social Security) paid in the past, currently being paid or payable in the future.

STRS Ohio will return incomplete or improperly certified forms to the member.

Employer Certification

- **Part 2 — Completed by the retirement system** (if contributions were made to a retirement plan for this service). A list of retirement systems is available on the back of the *Retirement System Certification* form.

If you were not in a public institution and the Employer Certification form indicates there was no retirement plan in effect for your service, you do not need to complete this form.
