Service Retirement Application

For Members Enrolled in the Defined Contribution Plan

State Teachers Retirement System of Ohio
You qualify to apply for a monthly benefit only if the benefit is at least $100 monthly. If your benefit currently calculates to less, you have several options, including rolling over your account to another qualified plan.

This application must be submitted and processed before your retirement becomes effective. Please carefully read the instructions for completing this application and properly complete all sections pertaining to you. You may access any of the following resources for additional information:

- Make an appointment for an individual counseling session. (This is strongly encouraged before submitting your application.) An STRS Ohio benefits counselor can provide benefit estimates and discuss payment options with you.

- Review the following brochures: Preparing for Retirement and Service Retirement and Plans of Payment. (Available at www.strsoh.org in the Publications section under Resources.)

- Call STRS Ohio’s Member Services Center toll-free at 888-227-7877.

STRS Ohio is ready to assist you to ensure a smooth transition from your teaching career into retirement.
INSTRUCTIONS FOR COMPLETING THE SERVICE RETIREMENT APPLICATION

Submitting your application
Your retirement application should be submitted with STRS Ohio at least three months, but no more than 12 months, before the date your retirement becomes effective. If you submit this application at least 30 days before your effective date of retirement and have provided complete information, we will issue you a payment on your effective date of retirement. If exact service and salary information is not available on your effective date of retirement, you will receive “partial payments” each month until your regular benefit amount is finalized. (Most retirees receive at least three partial payments.) Funds to be annuitized will be based on the net asset value of the investment choices you made as of the day your application is ready to be processed for payment. Instructions for completing each section of this application appear on left-hand pages, and the sections to be completed are on the right. Please do not detach the pages.

Terminating employment
You must terminate employment from all STRS Ohio employers to be eligible to retire and begin receiving benefits. Service retirement may become effective the first of the month following the latter of:
• Your last day of teaching with your employer;
• Attainment of age 50;
• Official certification with STRS Ohio of any military service to be included in your retirement benefit (see “Making additional contributions for service” below); or
• First of the month following the date you submit your application (you cannot file for a retroactive effective date of retirement).

Reemployment restrictions
During the first two months of retirement, you will lose your Single Life Annuity benefit amount (regardless of the plan of payment chosen) for any month in which you work for a new Ohio public employer or return to your highest paying employer — including substitute teaching. However, you may continue working for an STRS Ohio, OPERS or SERS secondary employer.* After two months, you may work in any public position in Ohio as long as contributions for that employment are made to the appropriate retirement system.

You cannot continue in the same position held at the time of retirement as a volunteer during the first two months of retirement. If you continue in the same position as a volunteer, you will be in violation of the two-month waiting period and will forfeit monthly benefits for any month in which you are in violation. Volunteering means you will never be paid for the services rendered during the volunteer period. Deferring payment until later will not eliminate the violation.

More information about reemployment will be mailed to you before your effective date of retirement. Please review this material carefully. Ohio law may require public notice if you are returning to a position with your former employer. Please contact your employer for details.

* A secondary employer is defined as any STRS Ohio, OPERS or SERS employer where you earned less compensation than you earned with your highest paying employer and you are continuing employment in that position with that employer immediately after retirement. To be considered a secondary employer, you must work and earn wages with a secondary employer for each of the 12 months before retirement and in the month of retirement to be considered secondary employment. You must declare all continuing employment with a secondary employer on Page 3.

Making additional contributions for service
You may be eligible to make additional contributions to STRS Ohio if military service interrupted your teaching service. Contact us if you have military service you are interested in purchasing. All purchases must be certified and approved for purchase by STRS Ohio before your effective date of retirement. Purchases must be paid in full no later than three months after your effective date of retirement.

✔ Spouse’s birth date and Social Security number.
✔ Bank name, address and routing number or voided check for direct deposit.
SECTION 1 — PERSONAL INFORMATION INSTRUCTIONS
(Use these instructions to help fill out the information to the right.)

1. Enter your personal information. Enter your name as it appears on your Social Security card. If you have a new address, please give us the date the new address became effective.

2. Complete the marital status questions based on your marital status as of the effective date of retirement you list on this application. If you have ever been divorced, you must answer the question about leaving a continuing monthly benefit to your former spouse after your death. Your divorce decree may also require you to leave a portion of your benefit to a former spouse while you are receiving a monthly benefit through a Division of Property Order (DOPO). A DOPO is filed through the court and is separate from naming a beneficiary on this Service Retirement Application.

3. Your effective date of retirement is the date your benefits begin, not your last day of employment. The effective date of retirement is ALWAYS on the first of the month. Specifically, it is the first day of the month following the latter of:
   - Your last day of teaching or other public service
     Example: If your last day of service is June 5, 2020, then your effective date of retirement would be July 1, 2020.
   - Attainment of age 50
     Example: If your 50th birthday is Oct. 15, 2020, then your effective date of retirement would be Nov. 1, 2020.
   - Official certification with STRS Ohio of all purchasable service to be included in your retirement benefit, assuming the service is purchased no later than three months following your effective date of retirement
     Example: If the date your service is officially certified and a cost statement is issued on Dec. 18, 2020, then your effective date of retirement is Jan. 1, 2021.

4. List all public employers during your last year of teaching and indicate if you are continuing employment within the first two months of retirement with each employer. If you are continuing employment with your highest paying employer after retirement, you must have a break in service between the last day of work as an active member and the first day of reemployment on or after your effective date of retirement. The one-day break must be a normal workday and cannot be a Saturday, Sunday or holiday. For example, a member cannot retire from his or her current position on Friday, May 29, 2020, and return to public employment on Monday, June 1, 2020. This section must be completed accurately to ensure correct information is obtained from each employer. More information about reemployment will be mailed to you before your effective date of retirement.

Be sure to fill in your name as it appears on your Social Security card.

If you are required to provide for a former spouse or spouses after your death, include a copy of the court orders.

Your effective date of retirement is the first day of the month. It can be the first of the month following the date you submit your defined contribution application. You cannot file for a retroactive effective date of retirement with a defined contribution account.

Provide your current or new public employers.

SECTION 2 — PLAN OF PAYMENT SELECTION INSTRUCTIONS
(Use these instructions to help fill out the information to the right.)

Please read the Service Retirement and Plans of Payment brochure before making your plan selection. A plan of payment must be selected before a benefit can be paid. Choose only one.

I. SINGLE LIFE ANNUITY
The Single Life Annuity plan provides maximum monthly benefits for your lifetime. This plan does not provide any payment to a survivor upon your death. Upon electing a Single Life Annuity, your defined contribution account balance is converted to a lifetime annuity. There is no refundable amount or payment if the total annuity payments are less than the converted defined contribution account balance.

II. JOINT AND SURVIVOR ANNUITY
The Joint and Survivor Annuity plan of payment provides lifetime monthly income to you. At your death, the benefit continues at the selected amount for the lifetime of the primary beneficiary. Because income protection for the survivor is provided, your monthly benefit is less than that available under a Single Life Annuity.

If Option 1(C) or 2(C) is selected, the number of guaranteed years must be written in the space provided.

If Option 3(A) or 3(B) is selected, a dollar amount or fraction must be written in the space provided. ($50 per month is the minimum monthly benefit that may be designated.)

If Option 4 is selected, go to Page 7 and provide information for two, three or four beneficiaries and the percentage, fraction or whole dollar amount for each.

III. ANNUITY CERTAIN
The Annuity Certain plan of payment provides lifetime monthly income to you. If you die before the specified number of years have passed, the same benefit amount continues to your primary beneficiary for the years remaining in the original guaranteed period. Because income protection is guaranteed for a minimum number of years, your monthly benefit is less than that available under a Single Life Annuity.

If this plan is selected, the number of guaranteed years must be written in the space provided.

SECTION 3 — BENEFICIARY DESIGNATION FOR MONTHLY BENEFIT PAYMENTS INSTRUCTIONS
(Use these instructions to help fill out the information to the right.)

1. “Primary beneficiary,” as used in this application, is the person who will receive any remaining benefits from the retirement account following the death of the retiree. The selected plan of payment determines what benefits, if any, the beneficiary is eligible to receive. The beneficiary’s date of birth is required.

2. If a plan of payment from Plan II — Joint and Survivor Annuity is selected, only one primary beneficiary may be named unless you select Option 4. If you select Option 4 — Multiple Primary Beneficiaries, do not complete Section 3. You must complete Section 4 on Page 7 to designate beneficiaries.

3. If Option 1(B) or 1(C) or Option 2(B) or 2(C) is selected, the secondary beneficiary is the person to whom payment would continue for the balance of the guaranteed period if both the retiree and the primary beneficiary die before the guaranteed period ends. If you name more than one secondary beneficiary, they would share in a lump-sum distribution of the present value of any remaining payments.

4. If you choose the Annuity Certain plan of payment and name more than one primary beneficiary, a lump-sum payment representing the present value of the remaining payments is divided equally and paid to the beneficiaries.

5. If you chose the Annuity Certain plan of payment and your beneficiary is an inter vivos trust, or if you chose Option 1(B) or 1(C) or Option 2(B) or 2(C) and your secondary beneficiary is an inter vivos trust, provide the trust number and date of the trust agreement. Attach photocopies of the first and last page of the trust document. Any payment to a trust will be a lump-sum distribution of the present value of any remaining payments. Monthly payments cannot be paid to a trust.

6. If you are required by a court order to provide a continuing monthly benefit after your death to a former spouse or spouses, you must include a copy of the court orders.

Notes
Remember: The selected plan of payment determines what benefits the beneficiary is eligible to receive.

With reversion — If you select this choice, you may revert to the Single Life Annuity plan of payment under certain conditions. Please refer to the Service Retirement and Plans of Payment brochure for complete details.

Without reversion — If you select this choice, you may never revert to a Single Life Annuity plan of payment.

If you choose Joint and Survivor Annuity, Option 4 — Multiple Primary Beneficiaries, you must complete Section 4 on Page 7 to designate your beneficiaries.
SECTION 2 — PLAN OF PAYMENT SELECTION  (See instructions on Page 4.)

One of the following plans must be selected before a benefit can be paid:

I. SINGLE LIFE ANNUITY
   - Single Life Annuity provides the largest monthly income for you, but provides no continuing benefit to a survivor.

II. JOINT AND SURVIVOR ANNUITY  (Choose one option below.)
   - 1(A) Same to beneficiary with reversion.
   - 1(B) Minimum-year guarantee (without reduction). Same to beneficiary without reversion.  
   - 1(C) _______________ year guarantee. Same to beneficiary without reversion.  
     [Indicate years]
   - 2(A) One-half to beneficiary with reversion.
   - 2(B) Minimum-year guarantee (without reduction). One-half to beneficiary without reversion.  
   - 2(C) _______________ year guarantee. One-half to beneficiary without reversion.  
     [Indicate years]
   - 3(A) _______________ to beneficiary with reversion.
   - 3(B) _______________ to beneficiary without reversion.
     [Indicate fixed amount or fraction]
   - 4 Multiple Primary Beneficiaries (See separate beneficiary designation on Page 7 and indicate percentage, fraction or whole dollar amount for each beneficiary.)

III. ANNUITY CERTAIN  (Cannot change)
   - For a guaranteed number of ______________ years and continuous for my lifetime.  
     [Indicate years]

Payment of monthly benefits or a lump-sum payment to any survivor under the Single Life Annuity, Joint and Survivor Annuity, or Annuity Certain plans of payment does not guarantee that survivors will have access to or be permitted to participate in the STRS Ohio Health Care Program.

SECTION 3 — BENEFICIARY DESIGNATION FOR MONTHLY BENEFIT PAYMENTS  (See instructions on Page 4.)

For a Joint and Survivor Annuity, Options 1, 2 or 3; or an Annuity Certain, designate beneficiary below.  (Use complete names and not initials.)

If you selected a Joint and Survivor Annuity, Option 4 — Multiple Primary Beneficiaries, do not complete this section. Proceed to Section 4 on Pages 6 and 7 to designate beneficiaries.

SECTION 4 — MULTIPLE PRIMARY BENEFICIARIES
(Use these instructions to help fill out the information to the right.)

You may choose a plan of payment that provides continuing lifetime benefits for up to four beneficiaries. If you selected a Joint and Survivor Annuity, Option 4 — Multiple Primary Beneficiaries, you must complete this section to designate your beneficiaries for your benefit payments.

If you are required by a court order to provide a continuing monthly benefit after your death to a former spouse or spouses, you must include a copy of the court orders.

You may not select multiple primary beneficiaries if you selected a plan other than a Joint and Survivor Annuity, Option 4 — Multiple Primary Beneficiaries, on Page 5.

Complete this section only if you selected a Joint and Survivor Annuity, Option 4 — Multiple Primary Beneficiaries. If you selected any other plan of payment, you must complete Section 3 on Page 5 to designate your beneficiary.

Please indicate percentage, fraction or whole dollar amount for each beneficiary. The amount cannot be less than 10% of your benefit unless a court order requires less than 10%.
Only complete this section if you selected a Joint and Survivor Annuity, Option 4 on Page 5 of this application. For this option, you must name two, three or four primary beneficiaries. 4. Spousal consent is not required if:
   • You are required to elect a plan of payment pursuant to a court order and your current spouse is also a beneficiary under that plan; or

Select the matching number and fill in the information as required.
1. If you do not want federal tax withheld from your benefit, select Option 1.
2. If you want to elect tax withholding based on the number of allowances and marital status, select Option 2 and select “single” or “married.” Enter the number of allowances on the line provided.
3. If you want to choose “Married, but withhold at higher single rate,” select Option 3.

You can use the W-4 Tax Withholding Calculator on the STRS Ohio website at www.strsoh.org to estimate your tax withholding.

In addition to the calculated withholding in Option 2 or 3, you may also increase the amount of your withholding. If you selected Option 2 or 3 and want to increase the calculated withholding amount, check the box under “Optional additional withholding” and enter the additional amount.

SECTION 8 — STATE INCOME TAX WITHHOLDING INSTRUCTIONS
(See the Taxes and Your STRS Ohio Benefits leaflet for more information.)

Retirement benefits are subject to Ohio income tax for Ohio residents. Residents of another state are governed by the tax laws in that state. STRS Ohio cannot withhold tax for states other than Ohio.

STRS Ohio withholds only whole dollar amounts or a percentage with no decimal places. If you do not request a whole dollar amount, the amount will be rounded to the nearest dollar. A percentage with trailing decimal places will be rounded as well. For example, 6.3% would be rounded to 6%.

To estimate federal tax withholding, see the Taxes and Your STRS Ohio Benefits leaflet.

Complete this option ONLY if you selected federal withholding Option 2 or 3 AND you would like an additional amount of tax withheld each month.

SECTION 9 — OPTIONAL RETIREE-FUNDED DEATH BENEFIT LUMP-SUM PAYMENT INSTRUCTIONS
(See the Service Retirement and Plans of Payment brochure for members enrolled in the STRS Ohio Defined Contribution Plan for detailed information on this program.)

3. Costs for additional death benefits are listed in the Service Retirement and Plans of Payment brochure for members enrolled in the STRS Ohio Defined Contribution Plan.
4. You may change your death benefit beneficiary anytime. If you do not name a beneficiary, or if you have an invalid beneficiary designation on file at the time of your death, payment will be made by statutory succession as follows:
   A. A qualified beneficiary in the following order: (1) surviving spouse; (2) children; (3) parents; and (4) estate.
   B. Person who paid your burial expenses.
