FEDERAL INCOME TAX WITHHOLDING FOR STRS OHIO BENEFITS

Form located on reverse side

All benefits from STRS Ohio are subject to federal income taxes. Unless you direct otherwise, we must withhold federal income tax. You may change your tax withholding at any time using the form on the reverse side or using your Online Personal Account at www.strsoh.org. If you request no withholding, you may be responsible for filing quarterly federal income tax returns.

All withholding requests must be received by STRS Ohio on or before the 15th of any month to become effective the first of the following month.

Regardless of the change you want to make, please complete the personal information requested on the other side of this form.

- Enter your name, phone number, address, account number and email address.
- Sign and date the form.

Please read the instructions and complete the form for the type of tax withholding change you want to make. Please follow the instructions for that type of change only. Select the matching number below and fill in the spaces, if required.

1. If you do not want federal tax withheld from your benefit, select Option 1 in Section A.

2. If you want to elect tax withholding based on the number of allowances and marital status, select Option 2 in Section A and select “single” or “married.” Enter the number of allowances on the line provided.

3. If you want to choose “Married, but withhold at higher single rate,” select Option 3 in Section A.

4. A W-4 Tax Withholding Calculator is available at www.strsoh.org to help you estimate your tax withholding.

In addition to the calculated withholding in Option 2 or 3, you may also increase the amount of your withholding. If you selected Option 2 or 3 and want to increase the calculated withholding amount, check the box under “Optional additional withholding” and enter the additional amount.

If you want to increase an existing withholding amount, check the box under “Increase current withholding” in Section B and enter the additional amount.

Note: Withholding automatically changes whenever the taxable gross amount of your payment changes or the IRS changes the withholding tables. Requests for fixed withholding or fixed percentage amounts cannot be accepted. If you have other income in addition to your STRS Ohio benefit and you want to have a specific amount withheld but cannot calculate this yourself, you should seek the advice of your tax counselor or the IRS. This type of information is not available from STRS Ohio.

If you are receiving benefits from more than one STRS Ohio account, please indicate in Section C which accounts you want changed. If no selection is made, all accounts will be updated as indicated in Section A or B.

If you have any questions about completing this form, please call STRS Ohio toll-free at 888-227-7877, Monday–Friday, 8 a.m. to 5 p.m.
