Your EOC: a guide to what's covered

Your EOC is a description of coverage under your Medicare plan. It also outlines how to get services and your member rights.

Your provider directory: the key to unlocking our provider network

Your provider directory lists the doctors, hospitals and health care facilities in your plan's network. In it you'll find primary care physicians, specialists such as cardiologists and podiatrists, and other providers to help you reach your best health.

Aetna Medicare is a HMO, PPO plan with a Medicare contract. Enrollment in our plans depends on contract renewal.

Participating physicians, hospitals and other health care providers are independent contractors and are neither agents nor employees of Aetna. The availability of any particular provider cannot be guaranteed, and provider network composition is subject to change.

See Evidence of Coverage for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area.

The provider network may change at any time. You will receive notice when necessary.

Aetna Medicare Plan (PPO) offered by Aetna Medicare

Annual Notice of Changes for 2022

You are currently enrolled as a member of Aetna Medicare Plan (PPO). Next year, there will be some changes to the plan's costs and benefits. *This booklet tells about the changes.*

What to do now

1. ASK: Which changes apply to you

- Check the changes to our benefits and costs to see if they affect you.
 - It's important to review your coverage now to make sure it will meet your needs next year.
 - Do the changes affect the services you use?
 - Look in Section 1.4 for information about benefit and cost changes for our plan.

- Check to see if your doctors and other providers will be in our network next year.
 - Are your doctors, including specialists you see regularly, in our network?
 - What about the hospitals or other providers you use?
 - Look in Section 1.3 for information about our *Provider Directory*.

- Think about your overall health care costs.
 - How much will you spend out-of-pocket for the services and prescription drugs you use regularly?
 - How much will you spend on your premium and deductibles?
 - How do your total plan costs compare to other Medicare coverage options?

- Think about whether you are happy with our plan.

2. COMPARE: Learn about other plan choices – Your coverage is offered through State Teachers Retirement System of Ohio (STRS Ohio)

It is important that you carefully consider your decision before changing your STRS Ohio coverage. If you disenroll from this Aetna Medicare Advantage plan, to join another Medicare Advantage plan, then your STRS Ohio plan benefits may be cancelled. SECTION 1 Changes to Benefits and Costs for Next Year

Section 1.1 Changes to the Monthly Premium

Your coverage is provided through a contract with STRS Ohio. STRS Ohio will provide you with information about your plan premium (if applicable).

You must also continue to pay your Medicare Part B premium.

Section 1.2 Changes to Your Maximum Out-of-Pocket Amount

To protect you, Medicare requires all health plans to limit how much you pay “out-of-pocket” during the year. These limits are called the “maximum out-of-pocket amounts.” Once you reach this amount, you generally pay nothing for covered services for the rest of the year.

<p>In-network maximum out-of-pocket amount Your costs for covered medical services (such as copays and deductibles, if applicable) from network providers count toward your maximum out-of-pocket amount. Section 1.3 Changes to the Provider Network

There are changes to our network of providers for next year.

An updated *Provider Directory* is located on our website at [STRS.AetnaMedicare.com](https://www.strs.aetna.com). You may also call Member Services for updated provider information or to ask us to mail you a *Provider Directory*. **Please review the 2022 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

It is important that you know that we may make changes to the hospitals, doctors, and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan, but if your doctor or specialist does leave your plan, you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, we must furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days’ notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.

- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.
- If you find out your doctor or specialist is leaving your plan, please contact us so we can assist you in finding a new provider to manage your care.

SECTION 2 Deciding Which Plan to Choose

Section 2.1 If you want to stay in Aetna Medicare Plan (PPO)

STRS Ohio will tell you if you need to do anything to stay enrolled in your Aetna Medicare Plan.

Section 2.2 If you want to change plans

We hope to keep you as a member. However, if you want to change your plan, here are your options:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan timely. STRS Ohio will let you know what options are available to you under your group retiree coverage.
- You can switch to an individual Medicare health plan.
- – *OR* – You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 1.1 regarding a potential Part D late enrollment penalty.

It is important that you carefully consider your decision before changing your STRS Ohio coverage. If you disenroll from this Aetna Medicare Advantage plan, to join another Medicare Advantage plan, then your STRS Ohio plan benefits may be cancelled. Please contact STRS Ohio before you make a plan change.

To learn more about Original Medicare and the different types of Medicare plans, read the *Medicare & You 2022* handbook, call your State Health Insurance Assistance Program (see Section 4), or call Medicare (see Section 6.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to www.medicare.gov/plan-compare. **Here, you can find information about costs, coverage, and quality ratings for Medicare plans.**

Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Aetna Medicare Plan (PPO).
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Aetna Medicare Plan (PPO).
- To **change to Original Medicare without a prescription drug plan**, you must either:
 - Send us a written request to disenroll. Contact Member Services if you need more information on how to do this (phone numbers are in Section 6.1 of this booklet).
 - – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 3 Deadline for Changing Plans

You may be able to change to a different plan during STRS Ohio's open enrollment period. Your plan may allow you to make changes at other times as well. STRS Ohio will let you know what other plan options may be available to you.

Are there other times of the year to make a change?

As a member of a group Medicare plan, you are eligible for a special enrollment period if you leave STRS Ohio's plan. This means that you can enroll in an individual Medicare health plan or Original Medicare at any time during the year.

It is important that you carefully consider your decision before changing your STRS Ohio coverage. If you disenroll from this Aetna Medicare Advantage plan, to join another Medicare Advantage plan, then your STRS Ohio plan benefits may be cancelled. Please contact STRS Ohio before you make a plan change.

SECTION 4 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state.

SHIP is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. SHIP counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call SHIP at the phone number in **Addendum A** at the back of the *Evidence of Coverage*.

SECTION 5 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. Many people are eligible and don't even know it. To see if you qualify, call:
 - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
 - The Social Security Office at 1-800-772-1213 between 7 am and 7 pm, Monday through Friday. TTY users should call 1-800-325-0778 (applications); or
 - Your State Medicaid Office (applications).
- **Help from your state's pharmaceutical assistance program.** Many states have a program

called the State Pharmaceutical Assistance Program (SPAP) that helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program (the name and phone numbers for this organization are in **Addendum A** at the back of the *Evidence of Coverage*).

- **What if you have coverage from an AIDS Drug Assistance Program (ADAP)?** The AIDS Drug Assistance Program (ADAP) helps ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the AIDS Drug Assistance Program (ADAP) for your state. Note: To be eligible for the ADAP operating in your State, individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status.
- If you are currently enrolled in an ADAP, it can continue to provide you with Medicare Part D prescription cost-sharing assistance for drugs on the ADAP formulary. In order to be sure you continue receiving this assistance, please notify your local ADAP enrollment worker of any changes in your Medicare Part D plan name or policy number (the name and phone number for this organization is in **Addendum A** at the back of the *Evidence of Coverage*).

For information on eligibility criteria, covered drugs, or how to enroll in the program, please call the ADAP for your state (the name and phone number for this organization is in **Addendum A** at the back of the *Evidence of Coverage*).
