

# RETIREMENT PLAN RESELECTION OPTIONS

For Defined Contribution Plan Participants

YOU ARE NOW ELIGIBLE FOR YOUR ONE-TIME  
OPPORTUNITY TO CHANGE RETIREMENT PLANS.

STATE TEACHERS  
RETIREMENT SYSTEM  
OF OHIO

## FOUR STEPS. **ONE DEADLINE.**

- STEP 1** — Know your plan options
- STEP 2** — Review the plan features
- STEP 3** — Select the best plan for you
- STEP 4** — Notify STRS Ohio by June 1

## QUESTIONS? **WE HAVE RESOURCES.**

- Account information letter (enclosed with this brochure)
- *This Retirement Plan Reselection Options* brochure
- Retirement Plan Comparison Chart (Pages 8–9)
- *Retirement Plan Reselection* video (at [www.strsoh.org](http://www.strsoh.org))
- STRS Ohio toll-free number (call 888-227-7877)
- A group or individual benefits counseling appointment with an STRS Ohio benefits counselor (schedule using your Online Personal Account at [www.strsoh.org](http://www.strsoh.org) or by calling STRS Ohio)

# It's **your choice!**

If changing plans, you must notify  
STRS Ohio by **June 1, 2024.**

This booklet is written in plain language for use by members of the State Teachers Retirement System of Ohio. It is not intended as a substitute for the federal or state law, namely the Ohio Revised Code, Ohio Administrative Code or Internal Revenue Code, nor will its interpretation prevail should a conflict arise between it and the Ohio Revised Code, Ohio Administrative Code or Internal Revenue Code. The laws, statutes, rules and other regulations governing the retirement system are subject to change periodically. The STRS Ohio Health Care Program is not guaranteed. STRS Ohio may change or discontinue all or part of the program for all or a class of eligible benefit recipients and covered dependents at any time. Your decision about changing retirement plans is irrevocable. If you have questions about this material, please contact STRS Ohio or seek advice from your attorney and/or financial advisor.

STRS Ohio has contracted with Nationwide Retirement Solutions (NRS) as administrative service provider for the defined contribution aspects of the STRS Ohio benefits. NRS has a successful history of providing quality service and is committed to achieving the highest quality standards in service for STRS Ohio members.

As a Defined Contribution Plan participant in your fifth year of membership, you are now eligible for a one-time opportunity to reselect your STRS Ohio retirement plan. The plan you choose now will be your retirement plan for the duration of your STRS Ohio membership. If we do not receive your plan selection by June 1, you will remain in the Defined Contribution Plan.

## INFORMING STRS OHIO OF YOUR SELECTION

- Log in to your **Online Personal Account** at [www.strsoh.org](http://www.strsoh.org).
- Click on “Member Information” in the top menu and then “Retirement Plan Reselection” under Useful Links.

**Staying in your current plan? No action required.**

## YOUR STRS OHIO ACCOUNT

### If you choose to remain in the **Defined Contribution Plan**:

- You will continue to make allocation decisions and manage your defined contribution account.

### If you change to the **Combined Plan**:

- This will become your permanent plan and your account will have two portions — defined benefit and defined contribution.
- Your member contributions and their earnings will be deposited into the defined contribution portion which you will manage.
- Your future member contributions will be split between the defined contribution portion (12% managed by you) and defined benefit portion (2% managed by STRS Ohio).
- Employer contributions and their earnings currently in your defined contribution account, as well as future employer contributions, will also be used to fund the defined benefit portion.

### If you change to the **Defined Benefit Plan**:

- Your Defined Contribution Plan account will be closed, you will no longer manage your account, and this will become your permanent plan.
- Your retirement income will be determined by a calculation, set by statute, based on service credit and salary.
- Your contributions, plus your employer’s contributions and investment income, will be used to fund your defined benefit. STRS Ohio will manage the investment assets.

Plan selection and account transfers will be finalized following completion of annual employer reporting in September 2024.

# Defined Contribution Plan

## YOU ARE CURRENTLY ENROLLED IN THE DEFINED CONTRIBUTION PLAN

Under the Defined Contribution Plan, your contributions as well as your employer's contributions are deposited in a retirement account that you manage. You choose how to allocate the contributions among various investment choices offered through the plan. Benefits such as disability and survivor benefits and health care coverage in retirement are not provided by STRS Ohio.

### Your retirement income is driven by three variables:

- The amount of your and your employer's contributions deposited to your account (currently 14% of annual salary for members and 11.09% of annual salary for employers, for a total of 25.09%),
- The performance of investment choices you select, and
- The market annuity rates at retirement.

Contribution rates are established by law and the State Teachers Retirement Board and are subject to change.

### Other items of note:

- If you leave teaching, you can withdraw these funds, plus any gains or losses.
- You are not eligible to purchase service credit; however, you may make contributions on salary not earned if your teaching career is interrupted by military service.
- If you have credit in the Ohio Public Employees Retirement System or the School Employees Retirement System, accounts cannot be combined for future benefits. Please call STRS Ohio toll-free at 888-227-7877 for more information.

## BENEFITS WHILE TEACHING

This plan provides limited benefits and services during your teaching career. These include:

### Portability

- If you leave STRS Ohio-covered employment before retirement eligibility, you can roll assets into an individual retirement account (IRA), an eligible employer plan or another qualified plan, or you may withdraw the account value.
- The withdrawal amount will include both your contributions and vested employer contributions credited to your account, including any investment gains or losses. This is the only STRS Ohio plan that offers this feature during the first five years. You are vested in your member contributions immediately and 20% per year in your employer's contributions.

### Survivor benefits

There are no predetermined survivor benefits; however, a surviving spouse or sole survivor may annuitize the account balance for lifetime monthly benefits.

### Disability benefits

There are no disability benefits. If you become disabled, you may withdraw your account after terminating employment. At age 50, other payment options are available, but you must first terminate employment.

---

## WHAT THIS MEANS FOR YOU

With the Defined Contribution Plan, you have control over your retirement account. You have the ability to monitor and manage your account to meet your retirement goals.

# BENEFITS WHILE RETIRED

## Retirement income

You can annuitize your account balance with STRS Ohio or withdraw at age 50 or later upon terminating employment.

## Death benefit

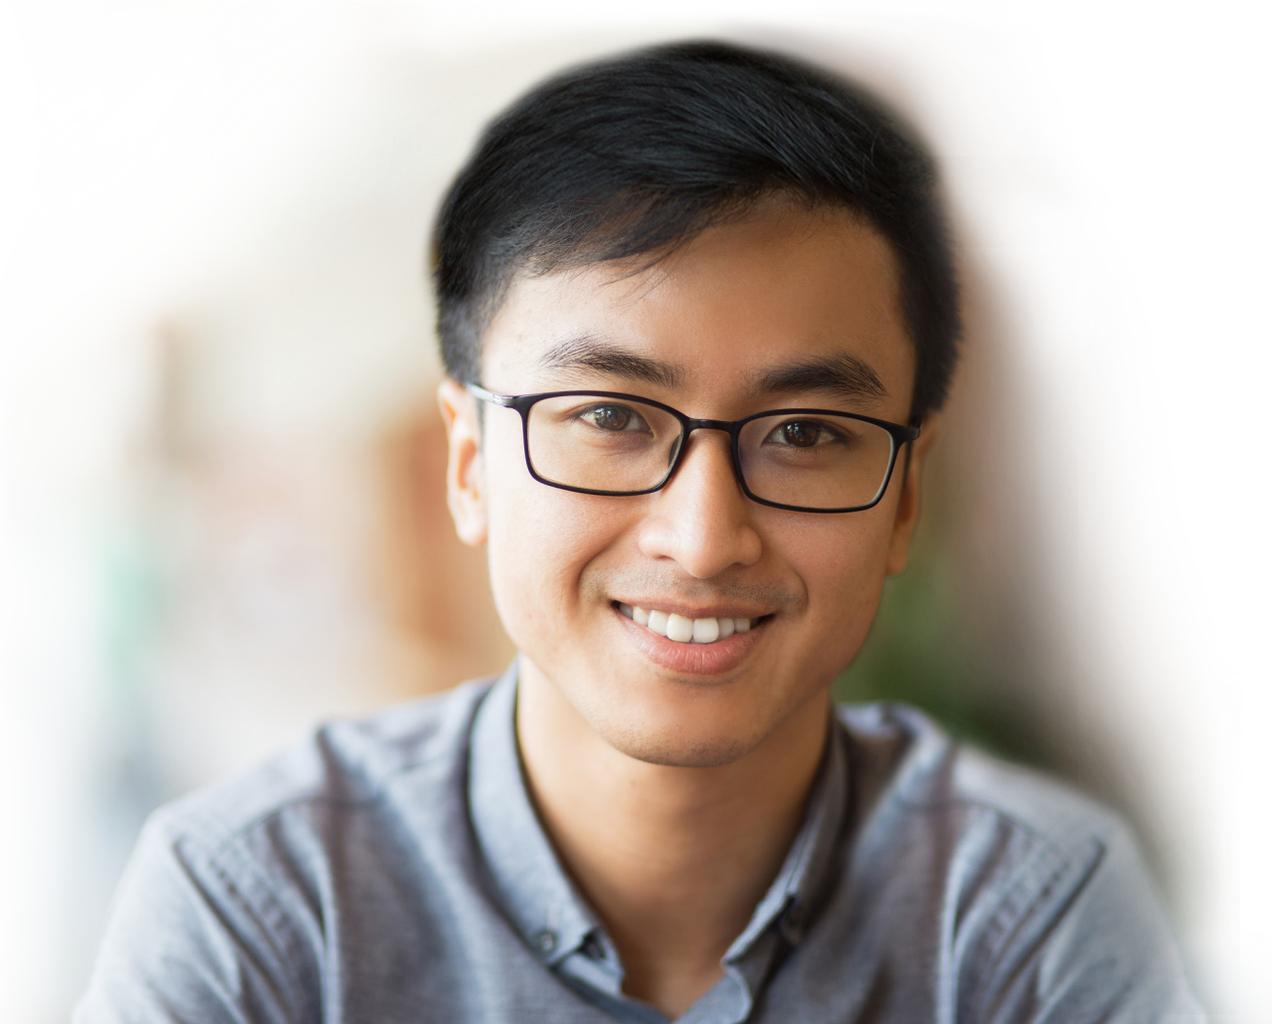

You have the option to purchase a \$1,000 or \$2,000 death benefit when you retire that your survivors would receive in a lump-sum payment upon your death.

**Access to health care coverage is not provided.**

### Example of how the plan is funded

<b>Salary</b>	<b>\$42,000</b>
<b>Member contribution (14% of \$42,000)</b>	<b>\$5,880</b>
<b>Employer contribution<sup>1</sup> (11.09% of \$42,000)</b>	<b>\$4,657</b>
<b>Funds placed in individual account</b>	<b>\$10,537</b>

<sup>1</sup>Employers contribute to STRS Ohio plans based on teacher payroll. A portion of employer contributions is set aside to pay for the existing unfunded liability of the retirement system. The 11.09% contribution is subject to change by the Retirement Board. Members are vested in employee contributions immediately. Members become vested in employer contributions at a rate of 20% per year.

# Combined Plan

## HOW DOES IT WORK?

The Combined Plan includes features of the Defined Benefit and Defined Contribution Plans. You have benefits while teaching and two elements to your retirement benefit — the defined contribution portion and the defined benefit portion.

### Contribution allocations:

- You contribute 14% of your annual salary. Of that amount:
  - 12% would go to your defined contribution account
  - 2%, along with employer contributions, would fund the defined benefit portion

### Account features:

- You manage the investment allocation and risk for the defined contribution account.
- STRS Ohio manages the defined benefit portion which pays for service retirement, disability and survivor benefits and access to retiree health care coverage.\*

### Other items of note:

- You may be eligible to purchase service credit for teaching interrupted by military service and leaves of absence.
- If you have credit in the Ohio Public Employees Retirement System or the School Employees Retirement System, accounts cannot be combined for future benefits.
- Contribution rates and eligibility for health care are established by the State Teachers Retirement Board and are subject to change.

## BENEFITS WHILE TEACHING

This plan provides the following benefits and services during your teaching career:

### Portability

- If you leave STRS Ohio-covered employment before retirement eligibility, you can roll assets into an individual retirement account (IRA), an eligible employer plan or another qualified plan, or you may withdraw the account value.
- At age 50 or later, you may withdraw or annuitize the defined contribution portion and leave the defined benefit portion to fund a service retirement benefit at age 60 with at least five years of qualifying service credit.

### Survivor benefits

- After you earn five years of service credit, your qualified survivors are eligible to receive annual benefits that range from 25% to 60% of your final average salary (FAS), which is the average of your five highest salary years.
- Survivors receiving this benefit have access to health care coverage (medical/prescription, dental and vision)\* through STRS Ohio.
- Contributions and earnings in your defined contribution account and the defined benefit portion of the plan will be used to fund this benefit. Your survivors will not have a defined contribution account to manage.
- Your survivors may withdraw your entire account in lieu of receiving a benefit.

### Disability benefits

- With 10 years of service credit you may apply for monthly disability benefits if you become disabled while employed or within one year following your last date of STRS Ohio-covered service.
- Annual benefits range from 45% to 60% of your FAS.
- While receiving this benefit, you will have access to health care coverage (medical/prescription, dental and vision)\* through STRS Ohio.
- If you become disabled, all contributions and earnings in your defined contribution account and the defined benefit portion of the plan are used to fund this benefit — you will no longer oversee a defined contribution account.
- At age 65, the disability benefit converts to a service retirement benefit that provides 2.2%\*\* of your FAS for each year of service.
- In lieu of disability benefits, you may withdraw your account.

## BENEFITS WHILE RETIRED

### Retirement income

Benefits consist of two parts:

1. Defined benefit portion:
  - An annuity equal to 1% of your final average salary for each year of service credit (eligible at age 60 with at least five years of service).
2. Defined contribution portion:
  - An annuity based on the value of the account and market annuity rates at the time of retirement or the option to withdraw the account (eligible at age 50).

### Access to health care coverage\*

Starting at age 60, you and your eligible dependents will have access to health care coverage (medical/prescription, dental and vision) through STRS Ohio. New retirees need 20 years of service for eligibility.

### Death benefit

You have the option to purchase a \$1,000 or \$2,000 death benefit when you retire that your survivors would receive in a lump-sum payment upon your death.

\*Coverage under the STRS Ohio Health Care Program is not guaranteed. STRS Ohio may change or discontinue all or part of the program for all or a class of eligible benefit recipients and covered dependents at any time.

\*\*This multiplier is set by statute and is subject to change.

## WHAT THIS MEANS FOR YOU

With the Combined Plan, if you retire with 34 years of service under the current formula, you will receive 34% of your final average salary as an annual retirement benefit starting at age 60. You can also select from several payout options for the defined contribution portion of your account.

Defined benefit portion retirement income formula								
Years of service	x	1.0%	X	Final average salary	=	Annual Benefit		
34	x	1.0	=	34%	X	\$80,000	=	\$27,200 annually

Example of how the defined contribution portion is funded	
Salary	\$42,000
Member contribution allocated to DC account (12% of \$42,000)	\$5,040

# Defined Benefit Plan

## HOW DOES IT WORK?

The Defined Benefit Plan is a comprehensive plan that provides benefits during your teaching career and in retirement. Your retirement income is determined by a calculation that uses:

- Your age,
- Your years of service, and
- Your final average salary (FAS) — the average of your five highest salary years.

### Contribution rates:

- Members currently contribute 14% of annual salary.
- Employers currently contribute 14% of payroll.
- Contribution rates are established by law and the State Teachers Retirement Board and are subject to change.

STRS Ohio manages assets in the Defined Benefit Plan. You are not responsible for making investment decisions. This can be an ideal plan for career educators.

### Service credit purchase:

- You may be eligible to purchase service credit for many types of past employment. This may increase your retirement benefit or enable you to retire sooner.

## BENEFITS WHILE TEACHING

This plan provides comprehensive benefits and services beyond funding your monthly income during retirement. These include:

### Portability

- If you leave Ohio public employment before you're eligible to retire, you have the flexibility to withdraw your retirement assets or leave your STRS Ohio account intact to qualify for future benefits. Your STRS Ohio contributions plus interest can be refunded or rolled over to a traditional individual retirement account (IRA) or another qualified retirement plan.
- After you earn five years of qualifying service credit, interest plus a 50% match on your contributions and interest is paid on funds withdrawn or transferred.

### Survivor benefits

- Upon your earning five years of service credit, qualified survivors are eligible to receive annual benefits that range from 25% to 60% of your final average salary (FAS).
- Survivors receiving this benefit have access to health care coverage (medical/prescription, dental and vision)\* through STRS Ohio if eligible.

### Disability benefits

- With 10 years of service credit you may apply for monthly disability benefits if you become disabled while employed or within one year following your last date of STRS Ohio-covered service.
- Annual benefits range from 45% to 60% of your FAS.
- While receiving this benefit, you will have access to health care coverage (medical/prescription, dental and vision)\* through STRS Ohio if eligible.
- At age 65, the disability allowance converts to a service retirement benefit that provides 2.2%\*\* of your FAS for each year of service.
- In lieu of disability benefits, you may withdraw your account.

## WHAT THIS MEANS FOR YOU

With the Defined Benefit Plan, your monthly benefit is predictable — it does not depend on your managing investments.

# BENEFITS WHILE RETIRED

## Retirement income

Members receive 2.2% of their five-year final average salary for each year of service credit. For example, with 34 years of service credit, you would receive  $34 \times 2.2\% = 74.8\%$  of your final average salary (average of your five highest salary years).

Your retirement income is based on a formula:								
Years of service	x	2.2%	X	Final average salary	=	Annual Benefit		
34	x	2.2	=	74.8%	X	\$80,000	=	\$59,840 annually

You are eligible for a benefit at age 65 with five years of service or any age with 34 years of service. The service credit requirement for unreduced benefits at any age will increase to 35 years on Aug. 1, 2028.

You can retire early with an actuarially reduced benefit at age 60 with five years of service or at any age with at least 30 years of service.

## Access to health care coverage\*

You and your eligible dependents will have access to health care coverage (medical/prescription, dental and vision) through STRS Ohio. Beginning Aug. 1, 2023, new retirees need 20 years of service for eligibility.

## Death benefit

Your survivors will receive a lump-sum payment of \$1,000 at your death. You may purchase an additional \$1,000 or \$2,000 benefit when you retire.

\*Coverage under the STRS Ohio Health Care Program is not guaranteed. STRS Ohio may change or discontinue all or part of the program for all or a class of eligible benefit recipients and covered dependents at any time.

\*\*This multiplier is set by statute and is subject to change.

Features	Defined Contribution (DC) Plan Your Current Plan	Combined Plan Your Current Plan	Defined Benefit (DB) Plan
<b>Survivor Benefits</b>	Account balance available to beneficiaries. The surviving spouse or sole survivor may withdraw the account or begin receiving monthly annuity benefits.	<p>Eligible with five years of service credit.</p> <p>Qualified survivors have the option of receiving dependent-, service- or retirement-based survivor benefits. Both employer contributions and the member's contributions and any investment gains in the defined contribution account are used to fund the benefit.</p> <p><b>Dependent-based</b> — from 25% to 60% of final average salary based on the number of eligible survivors.</p> <p><b>Service-based</b> — from 29% of final average salary with 20 years of service credit to 60% of final average salary with 29 or more years of service credit based on the years of credit the member had at the time of death.</p> <p><b>Retirement-based</b> — if the member had met the age and service requirements for service retirement under the Defined Benefit Plan, the survivor is eligible for a benefit as if the member had retired under the Defined Benefit Plan and selected a same-to-beneficiary Joint and Survivor Annuity.</p> <p>Survivors also have the option to withdraw the DC and DB portions of the account.</p>	<p>Eligible with five years of service credit.</p> <p>Qualified survivors receive the highest benefit from among the following for which they are eligible.</p> <p><b>Dependent-based</b> — from 25% to 60% of final average salary based on the number of eligible survivors.</p> <p><b>Service-based</b> — from 29% of final average salary with 20 years of service credit to 60% of final average salary with 29 or more years of service credit based on the years of credit the member had at the time of death.</p> <p><b>Retirement-based</b> — if the member had met the age and service requirements for service retirement, the survivor is eligible for a benefit as if the member had retired and selected a same-to-beneficiary Joint and Survivor Annuity.</p> <p>If there are no minor children, a lump-sum withdrawal is also an option.</p>
<b>Benefit Portability/ Account Withdrawal</b>	<p>Upon ending employment, members may withdraw the value of their account. Before one year of membership in STRS Ohio, members receive only their contributions and the gains or losses on those contributions.</p> <p>Members vest 20% per year in employer contributions and all gains and losses on those contributions.</p> <p>After five years of membership in STRS Ohio, members are fully vested and receive both their contributions and the employer contributions deposited to the account, and any gains or losses on those contributions.</p> <p>Account withdrawals are paid as a lump-sum distribution, part of which may be taxable at time of withdrawal, or may be rolled over to an IRA, an eligible employer plan or another qualified plan.</p>	<p>Before age 50, a withdrawal must include both the DB and DC portions of the account. At age 50 or after, members may withdraw the DC portion upon termination of employment and leave the DB portion on account for a benefit at age 60. They may withdraw the DB portion only if they are also withdrawing the DC portion.</p> <p>Account withdrawals are paid as a lump-sum distribution, part of which may be taxable at time of withdrawal, or may be rolled over to an IRA, an eligible employer plan or another qualified plan.</p> <p><b>Defined contribution withdrawal amount:</b> Members are eligible for contributions in the account and the gains or losses on those contributions.</p> <p><b>Defined benefit withdrawal amount:</b> Members are eligible for the greater of member contributions in the defined benefit account or the present value of future benefits with five years of service credit. For example, a member with 10 years of service is eligible for 10% of final average salary at age 60. The withdrawal amount is equal to the present value of that benefit.</p>	<p>When withdrawing an account, members are eligible for their contributions with interest and in some cases matching funds as follows:</p> <ul style="list-style-type: none"> <li>• 2.99 years or less, the member receives contributions plus interest of 2%.</li> <li>• 3.00 to 4.99 years, the member receives contributions plus interest of 3%.</li> <li>• 5.00 or more years of credit, the member receives contributions plus interest of 3% and a 50% match on that total.</li> </ul> <p>Account withdrawals are paid as a lump-sum distribution, part of which may be taxable at time of withdrawal, or may be rolled over to an IRA, an eligible employer plan or another qualified plan.</p> <p>Interest rates are subject to change.</p>
<b>Inflation Protection/COLA</b>	Cost-of-living adjustments are not provided.	Cost-of-living adjustments are not provided.	New STRS Ohio benefit recipients are eligible to receive a COLA beginning on the fifth anniversary of their retirement date. The State Teachers Retirement Board will periodically evaluate whether a cost-of-living increase is payable in accordance with the law in effect at that time (Section 3307.67, Revised Code). If a COLA is granted, you will receive it on the anniversary of your retirement date.
<b>Administrative Costs or Fees</b>	Asset management fees and a \$10 quarterly account fee reduce the investment return. Inactive members with an account balance of less than \$5,000 are also subject to a \$10 per month fee. ("Inactive" is defined as not having any member or employer contributions applied to an account for more than 120 days.) A member is not charged the quarterly account fee if a low balance fee is charged during the quarter.	Asset management fees and a \$10 quarterly account fee reduce the investment return of the DC portion of the account. Inactive members with a DC account balance of less than \$5,000 are also subject to a \$10 per month fee. ("Inactive" is defined as not having any member or employer contributions applied to an account for more than 120 days.) A member is not charged the quarterly account fee if a low balance fee is charged during the quarter.	Administrative costs are paid from total fund investment earnings.

A portion of contributions in all three plans is set aside to pay for the existing unfunded liability of the retirement system.

Note: The information provided on this chart and on all materials in this reselection packet are based on current rates, factors and laws — all of which are subject to change.
